

CERTIFICATE OF SELF-INSPECTION

I hereby certify that I have inspected all outdoor household articles, which are part of the shipment identified below as required by the United States Agriculture Department's regulations 7 CFR § 301. I have also received and read the USDA publication "Don't Move Gypsy Moth," (Program Aid No. 1329). I have made a diligent examination of the articles, and any gypsy moth life forms found have been removed and destroyed.

I also acknowledge that I am responsible for this inspection and that I shall be liable for any fine or penalty imposed upon any party for failure to properly inspect and/or for the transporting of an infested shipment.

I HAVE READ AND UNDERSTAND THIS CERTIFICATE.
